 - 16. **Augmented Reality in Implant Surgery Planning** (*Video*)
-

☐ **Poster Presentation Session**

16:15 – 17:00

(Recent Advances in Oral Biology, Dental Materials & Public Health Dentistry)

☐ **Award Ceremony & Closing of Day 1**

17:00 – 18:00

- 17. **Young Researcher Award Lecture: AI-Assisted Caries Risk Prediction**

18. **Best Clinical Research Award: Digital Occlusion Analysis in Full-Mouth Rehabilitation**
 19. **Distinguished Speaker Talk: Future-Ready Dental Education Models**
 20. **Industry Innovation Spotlight: Smart Clinics and Connected Dentistry**
-

☐ **DAY 2 – April 08, 2026**

Theme: Oral-Systemic Health, Sustainability & Advanced Clinical Practice

☐ **Keynote Presentations**

09:00 – 10:00

1. **Oral–Systemic Health Axis: Emerging Evidence and Clinical Implications**
2. **Sustainable Dentistry: Eco-Friendly Innovations and Green Practices**

☐ **Refreshment Break**

10:00 – 10:15

☐ **General Scientific Session III**

10:15 – 11:45

3. **Microbiome-Targeted Therapies for Periodontal Disease Management**
4. **Photodynamic Therapy in Oral Cancer: Clinical Translation**
5. **Advanced CAD/CAM Ceramics: Strength, Esthetics, and Longevity**
6. **Digital Orthodontics: Predictive Tooth Movement and AI Planning**
7. **Personalized Preventive Dentistry Using Big Data Analytics**

☐ **Workshop**

11:45 – 12:30

8. **Laser Applications in Contemporary Periodontal Therapy**

☐ **Lunch Break**

12:30 – 13:30

☐ **General Scientific Session IV**

13:30 – 15:00

9. **Oral Health Implications of Long-COVID: Clinical Observations**

- 10. **Bioprinting of Oral Tissues: Current Progress and Challenges**
 - 11. **Advanced Pain-Free Dentistry Using Computer-Controlled Anesthesia**
 - 12. **Digital Monitoring of Orthodontic Treatment Outcomes**
 - 13. **Antimicrobial Resistance in Dentistry: Strategies for the Future**
-

☐ **Refreshment Break**

15:00 – 15:15

☐ **Online & Video Presentation Session**

15:15 – 16:15

- 14. **Metaverse Applications in Dental Patient Education** (*Online*)
 - 15. **Robotics in Implant Dentistry: Clinical Precision and Safety** (*Video*)
 - 16. **AI-Based Risk Assessment Tools for Peri-Implantitis** (*Online*)
-

☐ **Poster Presentation Session**

16:15 – 17:00

(Oral-Systemic Research, Preventive Dentistry & Digital Innovations)

☐ **Award Ceremony & Conference Closing**

17:00 – 18:00

- 17. **Best Poster Award Lecture: Salivary Diagnostics for Diabetes Screening**
- 18. **Excellence in Clinical Practice Award: Digital Full-Arch Implant Rehabilitation**
- 19. **Lifetime Achievement Lecture: Evolution of Modern Oral Healthcare**
- 20. **Closing Vision Talk: Dentistry 2035 – Technology, Ethics, and Patient-Centric Care**
