

12th Edition of International Conference on Global Healthcare, Medicine and Advanced Nursing

June 17–18, 2026 | Osaka, Japan

Organized by ConferenceMinds

About the Conference

The **12th Edition of International Conference on Global Healthcare, Medicine and Advanced Nursing** will be held on **June 17–18, 2026 in Osaka, Japan**. This prestigious international gathering will bring together leading physicians, healthcare professionals, researchers, academicians, nursing specialists, public health experts, and healthcare innovators from around the world to exchange knowledge, share innovative research, and explore emerging trends in global healthcare.

Healthcare systems across the globe are undergoing rapid transformation due to technological advancements, demographic changes, and evolving disease patterns. The conference aims to provide a global platform for discussing cutting-edge developments in **clinical medicine, nursing practices, healthcare policy, digital health, public health management, and patient-centered care**.

This two-day conference will feature **keynote presentations, plenary lectures, oral presentations, poster sessions, workshops, panel discussions, and networking sessions** designed to promote scientific collaboration and professional development.

The conference will address some of the most pressing issues facing modern healthcare systems including **chronic diseases, emerging infections, healthcare technology, precision medicine, patient safety, nursing leadership, healthcare management, and global health challenges**.

By bringing together professionals from academia, hospitals, industry, and public health organizations, the conference will encourage interdisciplinary collaboration and foster innovative solutions to improve global health outcomes.

Conference Theme

“Transforming Global Healthcare Through Innovation, Medicine, and Advanced Nursing Practices”

The theme emphasizes the importance of integrating innovative medical technologies, evidence-based clinical practices, and advanced nursing strategies to improve patient care and healthcare delivery worldwide.

Welcome Message

Dear Colleagues,

It is our great pleasure to welcome you to the **12th Edition of International Conference on Global Healthcare, Medicine and Advanced Nursing**, taking place on **June 17–18, 2026 in Osaka, Japan**.

This international conference aims to bring together healthcare professionals, researchers, educators, policymakers, and industry leaders to discuss the latest advancements and innovations shaping the future of global healthcare. The rapidly evolving healthcare landscape requires collaborative efforts to address emerging health challenges and ensure sustainable healthcare systems.

Throughout the conference, participants will have the opportunity to engage in thought-provoking discussions, attend insightful presentations, and build meaningful collaborations with professionals from around the world.

We look forward to welcoming you to Osaka for two days of inspiring scientific exchange and networking.

Sincerely,

Conference Organizing Committee

About ConferenceMinds

ConferenceMinds is an internationally recognized conference organizer dedicated to bringing together experts from various scientific and medical disciplines. The organization hosts global conferences that promote knowledge sharing, innovation, and collaboration among researchers and professionals.

Through its conferences, ConferenceMinds provides platforms for:

- Scientific discussions

- Networking opportunities
- Research dissemination
- Professional development

With participants from over **50+ countries**, ConferenceMinds conferences foster global collaboration and interdisciplinary research.

Why Attend?

Attending the **International Conference on Global Healthcare, Medicine and Advanced Nursing** offers numerous benefits:

- Gain insights into the **latest medical and healthcare innovations**
 - Learn from **world-renowned speakers and researchers**
 - Present your **research findings to an international audience**
 - Network with healthcare professionals from **across the globe**
 - Discover **new healthcare technologies and solutions**
 - Participate in **interactive workshops and panel discussions**
 - Explore collaborative opportunities in research and healthcare practice
 - Experience the vibrant culture of **Osaka, Japan**
-

Who Should Attend

This conference welcomes professionals from various healthcare disciplines including:

- Physicians and Medical Practitioners
 - Nurses and Nursing Educators
 - Healthcare Researchers and Scientists
 - Public Health Professionals
 - Hospital Administrators
 - Healthcare Policy Makers
 - Medical Students and Trainees
 - Pharmaceutical and Medical Device Professionals
 - Healthcare Technology Experts
 - Allied Health Professionals
-

Conference Topics and Scientific Sessions

The conference will feature a wide range of topics covering the latest advancements in healthcare, medicine, and nursing.

Major Scientific Tracks

1. Global Healthcare Systems and Policies
2. Advances in Clinical Medicine
3. Nursing Education and Practice
4. Public Health and Epidemiology
5. Healthcare Technology and Digital Health
6. Telemedicine and Remote Healthcare
7. Artificial Intelligence in Healthcare
8. Chronic Disease Management
9. Infectious Diseases and Global Health
10. Patient Safety and Quality Improvement
11. Healthcare Management and Leadership
12. Emergency and Critical Care Medicine
13. Mental Health and Community Care
14. Women's Health and Maternal Care
15. Pediatric and Adolescent Healthcare
16. Geriatric Medicine and Elderly Care
17. Precision Medicine and Personalized Healthcare
18. Healthcare Data Analytics
19. Evidence-Based Nursing Practice
20. Healthcare Innovation and Entrepreneurship

Call for Abstracts

Researchers and professionals are invited to submit abstracts for oral and poster presentations.

Abstract Submission Guidelines

- Abstract should be **250–300 words**
- Written in **English**
- Include **Title, Authors, Affiliations, Background, Methods, Results, and Conclusion**
- Submit through the conference website

Accepted abstracts will be presented in:

- **Oral presentations**
 - **Poster sessions**
 - **Workshops**
-

Scientific Program Overview

Day 1 – June 17, 2026

08:30 – 09:30

Registration and Welcome Coffee

09:30 – 10:00

Opening Ceremony

- Welcome Address by Conference Chair
- Introduction of Keynote Speakers

10:00 – 11:00

Keynote Session I

11:00 – 11:30

Networking Coffee Break

11:30 – 13:00

Plenary Session

Topics may include:

- Future of Global Healthcare
- Innovations in Clinical Medicine
- Digital Transformation in Healthcare

13:00 – 14:00

Lunch Break

14:00 – 16:00

Scientific Oral Presentations

Tracks:

- Advanced Nursing Practices
- Healthcare Innovation
- Public Health Strategies

16:00 – 16:30

Coffee Break

16:30 – 18:00

Panel Discussion

Topic:

Challenges and Opportunities in Global Healthcare Systems

Day 2 – June 18, 2026

09:00 – 10:00

Keynote Session II

10:00 – 11:00

Plenary Talks

11:00 – 11:30

Coffee Break

11:30 – 13:00

Oral Presentations

Tracks:

- Digital Health
- Nursing Leadership
- Medical Innovations

13:00 – 14:00

Lunch Break

14:00 – 15:30

Poster Presentations

Participants will present research findings and innovative healthcare solutions.

15:30 – 16:30

Workshop Session

Topics may include:

- Healthcare leadership skills
- Research methodologies in medicine
- Evidence-based nursing practice

16:30 – 17:00

Closing Ceremony

- Best Presentation Awards
 - Certificate Distribution
 - Closing Remarks
-

Awards

To recognize excellence in research and presentations, the conference will present awards such as:

- **Best Keynote Presentation Award**
 - **Best Oral Presentation Award**
 - **Best Poster Presentation Award**
 - **Young Researcher Award**
 - **Outstanding Nursing Contribution Award**
-

Venue Information

Osaka, Japan

Osaka is one of Japan's most dynamic cities known for its rich culture, modern infrastructure, and vibrant culinary scene. The city offers a perfect blend of traditional heritage and technological innovation.

Participants attending the conference will have the opportunity to explore famous attractions such as:

- Osaka Castle
- Universal Studios Japan
- Dotonbori District
- Shitennoji Temple

Osaka is also a major hub for international conferences and offers world-class hospitality and transportation facilities.

Accommodation

Participants can choose from a wide range of hotels near the conference venue ranging from luxury to budget-friendly options.

Accommodation packages may include:

- 4-Star Hotel Accommodation
- 5-Star Hotel Accommodation

Accommodation includes:

- Breakfast
 - Wi-Fi access
 - Easy transportation to the conference venue
-

Registration Information

Participants can register as:

- Speaker
- Delegate
- Student
- Poster Presenter
- Virtual Participant

Registration includes:

- Access to all conference sessions
- Conference materials
- Lunch and refreshments

- Certificate of participation
 - Networking opportunities
-

Networking Opportunities

The conference provides numerous opportunities for professional networking including:

- Networking coffee breaks
- Panel discussions
- Poster sessions
- Social gatherings

These interactions encourage collaboration among healthcare professionals and researchers.

Publication Opportunities

Accepted abstracts and papers may be published in:

- Conference proceedings
- Partner journals
- Indexed scientific publications

Authors will have the opportunity to submit full manuscripts for peer review.

Important Dates

Abstract Submission Deadline: **May 10, 2026**

Early Bird Registration: **April 30, 2026**

Final Registration Deadline: **June 1, 2026**

Conference Dates: **June 17–18, 2026**

Visa Information

International participants may require a visa to enter Japan. Upon registration, the organizing committee will provide:

- Invitation letter
- Visa support letter

Participants are advised to apply for their visas well in advance.

Sponsorship and Exhibition

Organizations and companies are invited to sponsor or exhibit at the conference.

Sponsorship benefits include:

- Brand exposure
 - Exhibition booths
 - Promotional materials distribution
 - Networking with healthcare professionals
-
