27th Edition of International Conference and Expo on Ophthalmology and Vision Science

June 16–17, 2026 | London, UK
Organized by ConferenceMinds

About the Conference

The **27th Edition of International Conference and Expo on Ophthalmology and Vision Science** will be held on **June 16–17, 2026 in London, UK**. This prestigious international conference will bring together leading ophthalmologists, optometrists, vision scientists, researchers, clinicians, academicians, and healthcare professionals from across the globe to share knowledge, present innovative research, and explore emerging trends in eye care and vision science.

Vision health is a crucial component of global healthcare, and the prevalence of eye disorders continues to rise due to aging populations, lifestyle changes, and chronic diseases. This conference aims to provide a comprehensive platform for discussing the latest advancements in ophthalmic research, clinical practices, diagnostic technologies, surgical innovations, and vision care solutions.

The two-day scientific program will include keynote presentations, plenary sessions, oral presentations, poster sessions, workshops, panel discussions, and networking opportunities designed to promote collaboration and knowledge exchange among participants.

The conference will address major challenges and opportunities in ophthalmology including retinal diseases, glaucoma, cataract surgery, refractive errors, pediatric ophthalmology, neuro-ophthalmology, ocular imaging technologies, and artificial intelligence in eye care.

By bringing together experts from academia, hospitals, industry, and research institutions, the conference aims to foster innovation, collaboration, and the development of advanced strategies to improve global eye health and vision care outcomes.

Conference Theme

"Advancing Vision Science and Ophthalmology through Innovation, Research, and Clinical Excellence"

The conference theme highlights the importance of integrating advanced research, innovative technologies, and clinical expertise to improve diagnosis, treatment, and prevention of vision disorders worldwide.

Welcome Message

Dear Colleagues,

It is our great pleasure to welcome you to the **27th Edition of International Conference and Expo on Ophthalmology and Vision Science**, taking place on **June 16–17, 2026 in London, UK**.

This global conference aims to bring together ophthalmologists, vision scientists, researchers, clinicians, educators, and industry professionals to discuss the latest developments and innovations shaping the future of eye care.

Rapid advancements in ophthalmic technologies, imaging techniques, and surgical procedures are transforming the way eye diseases are diagnosed and treated. Collaborative efforts among researchers and healthcare professionals are essential to address global challenges related to visual impairment and blindness.

Throughout the conference, participants will have the opportunity to engage in inspiring discussions, attend insightful presentations, and build meaningful collaborations with experts from around the world.

We look forward to welcoming you to London for two days of scientific exchange, learning, and networking.

Sincerely
Conference Organizing Committee

About ConferenceMinds

ConferenceMinds is an internationally recognized conference organizer committed to bringing together experts, researchers, and professionals from various scientific and medical disciplines.

The organization hosts global conferences that encourage knowledge sharing, innovation, and collaboration among professionals from academia, healthcare institutions, and industry.

Through its conferences, ConferenceMinds provides platforms for:

• Scientific discussions
• Networking opportunities
• Research dissemination
• Professional development

With participants from **50+ countries**, ConferenceMinds conferences promote global collaboration and interdisciplinary research.

Why Attend?

Attending the **International Conference and Expo on Ophthalmology and Vision Science** offers numerous benefits:

• Gain insights into the latest advancements in ophthalmology and vision science
• Learn from internationally recognized speakers and researchers
• Present your research to a global audience
• Network with ophthalmologists and eye care professionals
• Discover new diagnostic technologies and surgical innovations
• Participate in workshops and panel discussions
• Explore opportunities for research collaborations
• Experience the historic and vibrant city of London

Who Should Attend

This conference welcomes professionals from various ophthalmology and vision science disciplines including:

• Ophthalmologists
• Optometrists
• Vision Scientists
• Eye Surgeons
• Clinical Researchers
• Medical and Healthcare Professionals
• Academicians and Educators
• Medical Students and Trainees
• Pharmaceutical and Medical Device Professionals

- Healthcare Technology Experts
- Researchers in Vision Science

Conference Topics and Scientific Sessions

The conference will feature a wide range of scientific sessions covering the latest developments in ophthalmology and vision science.

Major Scientific Tracks

1. Advances in Ophthalmology
2. Retinal Diseases and Treatments
3. Glaucoma and Optic Nerve Disorders
4. Cataract and Refractive Surgery
5. Cornea and External Eye Diseases
6. Pediatric Ophthalmology
7. Neuro-Ophthalmology
8. Ocular Imaging and Diagnostics
9. Artificial Intelligence in Ophthalmology
10. Vision Science and Visual Neuroscience
11. Optometry and Vision Care
12. Ocular Pharmacology and Therapeutics
13. Ocular Genetics and Gene Therapy
14. Contact Lenses and Refractive Error Management
15. Ocular Oncology
16. Eye Health and Public Health Ophthalmology
17. Tele-Ophthalmology and Digital Eye Care
18. Advanced Surgical Techniques in Ophthalmology
19. Dry Eye Disease and Ocular Surface Disorders
20. Emerging Technologies in Vision Care

Call for Abstracts

Researchers and professionals are invited to submit abstracts for oral and poster presentations.

Abstract Submission Guidelines

• Abstract should be **250–300 words**
• Written in **English**
• Include **Title, Authors, Affiliations, Background, Methods, Results, and Conclusion**
• Submit through the conference website

Accepted abstracts will be presented as:

• Oral Presentations
• Poster Presentations
• Workshops

Scientific Program Overview

Day 1 – June 16, 2026

08:30 – 09:30
Registration and Welcome Coffee

09:30 – 10:00
Opening Ceremony
• Welcome Address by Conference Chair
• Introduction of Keynote Speakers

10:00 – 11:00
Keynote Session I

11:00 – 11:30
Networking Coffee Break

11:30 – 13:00
Plenary Session

Topics may include:
• Innovations in Ophthalmology
• Advances in Retinal Research
• Future of Vision Science

13:00 – 14:00
Lunch Break

14:00 – 16:00
Scientific Oral Presentations

Tracks:
• Retinal Diseases
• Cataract Surgery
• Vision Science

16:00 – 16:30
Coffee Break

16:30 – 18:00
Panel Discussion

Topic:
Future Challenges and Opportunities in Ophthalmology

Day 2 – June 17, 2026

09:00 – 10:00
Keynote Session II

10:00 – 11:00
Plenary Talks

11:00 – 11:30
Coffee Break

11:30 – 13:00
Oral Presentations

Tracks:
• Artificial Intelligence in Ophthalmology
• Pediatric Eye Care
• Ocular Imaging

13:00 – 14:00
Lunch Break

14:00 – 15:30
Poster Presentations

Participants will present research findings and clinical innovations in ophthalmology.

15:30 – 16:30
Workshop Session

Topics may include:

• Advanced ophthalmic surgical techniques
• Research methodologies in vision science
• Clinical approaches to eye disease management

16:30 – 17:00
Closing Ceremony

• Best Presentation Awards
• Certificate Distribution
• Closing Remarks

Awards

To recognize excellence in research and presentations, the conference will present awards such as:

• Best Keynote Presentation Award
• Best Oral Presentation Award
• Best Poster Presentation Award
• Young Researcher Award
• Outstanding Contribution to Vision Science Award

Venue Information

London, UK

London is one of the world's most iconic cities known for its rich history, cultural diversity, and world-class academic and healthcare institutions. The city offers an inspiring environment for international conferences and scientific collaboration.

Participants attending the conference will have the opportunity to explore famous attractions such as:

• The London Eye
• Big Ben and the Houses of Parliament
• Tower Bridge
• Buckingham Palace
• Trafalgar Square

London provides excellent transportation, hospitality, and modern conference facilities, making it a premier destination for international scientific events.

Accommodation

Participants can choose from a variety of hotels near the conference venue ranging from luxury to budget-friendly options.

Accommodation packages may include:

• 4-Star Hotel Accommodation
• 5-Star Hotel Accommodation

Accommodation includes:

• Breakfast
• Wi-Fi access
• Easy transportation to the conference venue

Registration Information

Participants can register as:

• Speaker
• Delegate
• Student
• Poster Presenter
• Virtual Participant

Registration includes:

• Access to all conference sessions
• Conference materials
• Lunch and refreshments
• Certificate of participation
• Networking opportunities

Networking Opportunities

The conference offers several opportunities for professional networking including:

- Networking coffee breaks
- Panel discussions
- Poster sessions
- Social networking events

These interactions encourage collaboration among researchers, clinicians, and healthcare professionals.

Publication Opportunities

Accepted abstracts and papers may be published in:

- Conference proceedings
- Partner journals
- Indexed scientific publications

Authors may also submit full manuscripts for peer review.

Important Dates

Abstract Submission Deadline: **May 10, 2026**
Early Bird Registration: **April 30, 2026**
Final Registration Deadline: **June 1, 2026**
Conference Dates: **June 16–17, 2026**

Visa Information

International participants may require a visa to enter the United Kingdom.

Upon registration, the organizing committee will provide:

- Invitation Letter
- Visa Support Letter

Participants are encouraged to apply for visas well in advance.

Sponsorship and Exhibition

Organizations and companies are invited to sponsor or exhibit at the conference.

Sponsorship benefits include:

• Brand visibility and promotion
• Exhibition booths
• Promotional material distribution
• Networking with international ophthalmology professionals

Contact Information
