

# 3<sup>rd</sup> Edition of International Arabian Summit on Pulmonary and Critical Care 2026

- **October 27–28, 2026**
  - **Dubai, United Arab Emirates**
- 

## About the Conference

The 3rd Edition of International Arabian Summit on Pulmonary and Critical Care 2026 is a prestigious international platform dedicated to advancing respiratory medicine, pulmonary healthcare, intensive care medicine, and critical care innovations. The summit will bring together leading pulmonologists, critical care physicians, respiratory therapists, intensivists, thoracic surgeons, healthcare professionals, researchers, academicians, and industry leaders from around the globe.

This scientific gathering aims to foster collaboration, exchange groundbreaking research, and discuss emerging technologies and modern treatment strategies in pulmonary and critical care medicine. The summit will feature keynote lectures, scientific presentations, workshops, panel discussions, exhibitions, and networking sessions designed to enhance professional knowledge and global healthcare collaboration.

The conference will highlight the latest developments in respiratory diseases, intensive care management, mechanical ventilation, sleep medicine, lung transplantation, pulmonary rehabilitation, AI-driven healthcare technologies, and patient-centered respiratory care solutions.

---

## Chairperson's Message

On behalf of the Organizing Committee, it is our great pleasure to welcome you to the 3rd Edition of International Arabian Summit on Pulmonary and Critical Care 2026, taking place on October 27–28, 2026, in the vibrant city of Dubai, United Arab Emirates.

This international summit will unite renowned experts, clinicians, researchers, healthcare professionals, educators, and innovators in pulmonary and critical care medicine to exchange ideas and discuss the latest scientific and clinical advancements in respiratory healthcare.

The scientific program has been carefully designed to promote academic excellence and interdisciplinary collaboration through keynote lectures, plenary sessions, oral and poster presentations, workshops, and industry exhibitions.

We believe this summit will provide a valuable platform for networking, scientific advancement, and healthcare innovation while improving patient care standards worldwide.

We warmly invite you to participate and contribute to this exceptional scientific gathering.

With warm regards,  
Conference Chair

3rd Edition of International Arabian Summit on Pulmonary and Critical Care 2026

---

#### **Conference Objectives**

- Promote advanced research and innovation in pulmonary and critical care medicine
  - Encourage interdisciplinary collaboration among healthcare professionals and researchers
  - Explore emerging technologies and evidence-based clinical practices in respiratory healthcare
  - Provide networking opportunities for clinicians, researchers, and industry experts
  - Support young researchers and postgraduate students in respiratory and critical care sciences
- 

#### **Conference Highlights**

- Keynote speeches by internationally renowned pulmonary and critical care experts

- Oral, Poster, Workshop, and Exhibition sessions
  - Hands-on learning and clinical case discussions
  - Networking opportunities with global healthcare professionals
  - Publication opportunities in conference proceedings and journals
  - Medical technology and healthcare innovation showcases
  - Certification and recognition awards
  - Premium hospitality and accommodation services
- 

### **Conference Awards**

- CME / CPD Accredited Certificates
  - Best Oral Presentation Award
  - Young Researcher Award
  - Excellence in Pulmonary Innovation Award
  - Best Poster Presentation Award
  - Outstanding Speaker Recognition Award
- 

### **Who Should Attend?**

- Pulmonologists and Respiratory Physicians
  - Critical Care and Intensive Care Specialists
  - Thoracic Surgeons
  - Respiratory Therapists and Technicians
  - Sleep Medicine Specialists
  - Emergency Medicine Physicians
  - Internal Medicine Specialists
  - Healthcare Researchers and Academicians
  - Medical Industry Professionals
  - Postgraduate Students and Young Researchers
- 

### **Key Scientific Themes**

- Pulmonary Medicine and Respiratory Disorders
- Critical Care and Intensive Care Medicine
- COPD and Asthma Management
- Lung Infections and Tuberculosis

- Mechanical Ventilation and Respiratory Support
  - Sleep Medicine and Sleep Disorders
  - Thoracic Surgery and Lung Transplantation
  - Pulmonary Rehabilitation and Respiratory Therapy
  - Interventional Pulmonology
  - COVID-19 and Emerging Respiratory Diseases
  - AI and Digital Technologies in Critical Care
  - Emergency and Trauma Critical Care
- 

## **Scientific Program Agenda**

### **Day 1 – October 27, 2026**

#### **Theme: Innovations in Pulmonary Medicine and Respiratory Care**

1. Opening Ceremony & Welcome Address
  2. Plenary Lecture – Emerging Trends in Pulmonary Medicine
  3. Oral Session – COPD and Asthma Management
  4. Oral Session – Respiratory Infections and Tuberculosis
  5. Oral Session – Interventional Pulmonology
  6. Oral Session – Mechanical Ventilation and Respiratory Support
  7. Oral Session – Sleep Medicine and Sleep Disorders
  8. Oral Session – Pulmonary Rehabilitation and Respiratory Therapy
  9. Oral Session – Thoracic Imaging and Diagnostics
  10. Oral Session – Pediatric Pulmonology
  11. Oral Session – Pulmonary Hypertension and Vascular Disorders
  12. Oral Session – AI and Digital Health in Pulmonary Care
  13. Clinical Case Discussions and Networking
  14. Panel Discussion & Interactive Session
  15. Closing Session – Day 1
- 

### **Day 2 – October 28, 2026**

#### **Theme: Future Perspectives in Critical Care and Intensive Medicine**

1. Keynote Address – Future of Critical Care Medicine
2. Plenary Lecture – Advances in Intensive Care Technologies
3. Oral Session – Emergency and Trauma Critical Care
4. Oral Session – Sepsis and Multi-Organ Failure
5. Oral Session – ICU Infection Control and Patient Safety
6. Oral Session – Lung Transplantation and Advanced Therapies
7. Oral Session – Critical Care Nursing and Patient Monitoring
8. Oral Session – COVID-19 and Emerging Respiratory Diseases
9. Oral Session – Ethical and Legal Issues in Critical Care
10. Oral Session – AI and Robotics in Intensive Care Units
11. Oral Session – Advanced Critical Care Procedures
12. Young Researchers Forum
13. Industry Innovations and Startups
14. Awards Distribution & Recognition Ceremony
15. Closing Ceremony

---

### **Abstract Submission Guidelines**

#### **Language**

English

#### **Word Limit**

250–300 words

#### **Format**

MS Word (.doc/.docx)

#### **Font**

Times New Roman, 11 pt

#### **Structure**

- Title
- Authors & Affiliations
- Corresponding Author Email
- Background / Objective
- Methods
- Results
- Conclusion
- Keywords (3–5)

---

### **Accommodation & Hospitality**

Accommodation will be arranged in premium partner hotels near the conference venue in Dubai.

- ✓ Business-class and luxury hotels
- ✓ Easy access to conference venue and transportation
- ✓ Comfortable international-standard accommodation
- ✓ Hospitality and travel assistance

## **Packages**

- Package A: 2 Nights' Accommodation
- Package B: 3 Nights' Accommodation

## **Included**

- Daily breakfast
  - Conference lunches
  - Coffee breaks and refreshments
- 

## **Networking & Collaboration**

- Meet-the-expert sessions
  - Industry–academia collaborations
  - Young researcher mentoring
  - Global professional networking opportunities
  - Business partnerships and investment opportunities
- 

## **Exhibition & Sponsorship Opportunities**

- Exhibition booths and scientific displays
  - Corporate product presentations
  - Branding and marketing opportunities
  - Platinum, Gold, and Silver sponsorship packages
  - Healthcare technology and medical equipment showcases
- 

## **Registration Details**

- Speaker Registration – £790
- Delegate Registration – £775
- Package A – £879

- Package B – £1,097
  - Virtual Presentation – £589
  - Poster Presentation – £669
  - Workshop Participation – £689
- 

### **Registration Benefits**

- Access to all scientific sessions
- Conference kit and materials
- Participation certificates
- Meals and refreshments
- Networking and collaboration opportunities
- Accommodation benefits (as per selected package)

### **Conference Venue – Dubai, United Arab Emirates**

The summit will be hosted in Dubai, one of the world's leading international destinations known for its advanced healthcare infrastructure, innovation, luxury hospitality, and global connectivity.

The venue offers state-of-the-art conference facilities, advanced audiovisual technology, spacious exhibition areas, and premium networking spaces to ensure an outstanding scientific experience.

Participants will also have the opportunity to explore iconic attractions including Burj Khalifa, Palm Jumeirah, Dubai Marina, Dubai Mall, and the traditional Arabian cultural districts, creating a memorable blend of scientific learning and cultural exploration.
