INTERNATIONAL ARABIAN SUMMIT ON BIOFUELS AND BIOENERGY 2026

Accelerating Sustainable Energy Solutions
Through Biofuels, Bioenergy, and *Green Innovation*

 **OCTOBER 27-28, 2026**

 **DUBAI,**
UNITED ARAB EMIRATES

WELCOME TO THE 3RD EDITION OF INTERNATIONAL ARABIAN SUMMIT ON BIOFUELS AND BIOENERGY 2026

The 3rd Edition of International Arabian Summit on Biofuels and Bioenergy 2026 is a premier international platform dedicated to advancing sustainable energy technologies, renewable fuel innovation, bioenergy research, environmental sustainability, and global collaboration.

Scheduled to be held on October 27-28, 2026, in Dubai, United Arab Emirates, this prestigious summit will bring together scientists, engineers, energy professionals, policymakers, researchers, academicians, environmental experts, investors, entrepreneurs, industry leaders, and government representatives from around the world.

As nations strive to achieve carbon neutrality and energy security, biofuels and bioenergy are emerging as critical components of the global energy transition. This summit provides a comprehensive platform for discussing innovative technologies, sustainable biomass utilization, advanced biofuel production, circular economy solutions, and emerging opportunities within the renewable energy sector.

WHY ATTEND?

-  International Keynote Speakers
-  Biofuels & Renewable Energy Innovations
-  Sustainable Aviation Fuel Technologies
-  Biomass & Waste-to-Energy Systems
-  Green Hydrogen & Clean Energy Solutions
-  AI Applications in Energy Systems
-  Global Networking Opportunities
-  Publication & Research Exposure

ABOUT CONFERENCEMINDS

ConferenceMinds is an internationally recognized conference organizer dedicated to advancing scientific excellence, technological innovation, sustainability, and interdisciplinary collaboration.

Through global conferences, summits, expos, and forums, ConferenceMinds connects researchers, industry experts, policymakers, entrepreneurs, and innovators to facilitate meaningful knowledge exchange and collaborative growth.

Our mission is to create impactful international platforms that accelerate scientific discovery, technological advancement, and sustainable development worldwide.

CONFERENCE VISION

To become a globally recognized platform that advances renewable energy innovation, sustainable biofuel production, bioenergy technologies, and environmental sustainability through international collaboration and scientific excellence.

CONFERENCE MISSION

- Promote excellence in biofuel and bioenergy research
- Advance renewable energy technologies and innovation
- Foster international collaboration and knowledge exchange
- Support sustainable development and climate action goals
- Encourage industrial adoption of clean energy solutions
- Strengthen the global bioeconomy ecosystem
- Improve environmental sustainability and energy security

CHAIRPERSON'S MESSAGE

Dear Colleagues and
Distinguished Participants,

It is my great pleasure to welcome you to the 3rd Edition of International Arabian Summit on Biofuels and Bioenergy 2026, taking place on October 27–28, 2026, in Dubai, United Arab Emirates.

The transition toward sustainable energy systems has become one of the most important global priorities of our time. Biofuels and bioenergy technologies offer significant opportunities to reduce greenhouse gas emissions, strengthen energy security, and promote sustainable economic growth.

This summit has been carefully designed to bring together leading researchers, engineers, policymakers, environmental experts, investors, and industry leaders to discuss emerging trends, present innovative research, explore commercialization opportunities, and build international partnerships.

We are confident that the scientific discussions and networking opportunities offered during this summit will contribute significantly to the advancement of renewable energy and sustainable bioeconomy initiatives worldwide.

We warmly invite you to join us in Dubai for two inspiring days of innovation, collaboration, and scientific excellence.

Warm Regards,
Conference Chair
3rd Edition of International Arabian Summit
on Biofuels and Bioenergy 2026

CONFERENCE OBJECTIVES

- Promote Scientific Excellence**
Encourage dissemination of high-quality bioenergy and renewable energy research.
- Advance Sustainable Energy Technologies**
Explore innovative solutions for clean fuel production and energy generation.
- Strengthen Professional Development**
Support educational growth and leadership development in renewable energy sectors.
- Foster Global Collaboration**
Create opportunities for multidisciplinary partnerships and industrial cooperation.
- Support Climate Action**
Promote technologies that contribute to carbon reduction and environmental sustainability.
- Empower Future Innovators**
Provide opportunities for students, researchers, startups, and emerging professionals.

WHY ATTEND?

Participants attending the summit will benefit from:

- Access to internationally renowned bioenergy experts and researchers
- Exposure to cutting-edge renewable energy technologies
- Opportunities to present and publish research
- Professional networking with global industry leaders
- Investment and commercialization opportunities
- International collaborations and partnerships
- Industry exhibitions and technology demonstrations
- Recognition through awards and honors
- Professional development and leadership growth
- Unique cultural and business experiences in Dubai

TOGETHER TOWARDS A SUSTAINABLE ENERGY FUTURE
INNOVATE • COLLABORATE • TRANSFORM

3rd
EDITION OF

INTERNATIONAL ARABIAN SUMMIT ON BIOFUELS AND BIOENERGY 2026

Accelerating Sustainable Energy Solutions Through
Biofuels, Bioenergy, and Green Innovation

October 27–28, 2026

Dubai, United Arab Emirates

<https://conferenceminds.com/bioenergyconference/>

CONFERENCE HIGHLIGHTS

- ✓ International Keynote Addresses
- ✓ Plenary Scientific Sessions
- ✓ Biofuels Innovation Forum
- ✓ Renewable Energy Technology Sessions
- ✓ Oral Presentations
- ✓ Poster Presentations
- ✓ Green Energy Investment Forum
- ✓ Workshops and Training Sessions
- ✓ Industry Exhibitions
- ✓ Networking and Collaboration Forums
- ✓ Panel Discussions
- ✓ Young Researchers Forum
- ✓ Best Paper Awards
- ✓ Certificate of Presentation
- ✓ Publication Opportunities

SCIENTIFIC THEMES

- Advanced Biofuels Technologies
- Bioenergy Systems and Applications
- Renewable Energy and Sustainability
- Biomass Conversion and Utilization
- Waste-to-Energy Technologies
- Green Hydrogen and Clean Fuels
- Sustainable Aviation Fuels
- Circular Bioeconomy
- Environmental Sustainability
- Energy Efficiency and Conservation
- Policy, Regulations and Market Trends
- AI and Digital Innovation in Bioenergy
- Carbon Management and Net Zero Solutions
- Future Energy Systems and Smart Grids

CALL FOR ABSTRACTS

Researchers, academicians, industry experts, and students are invited to submit their abstracts for oral and poster presentations.

Abstracts should be original, unpublished, and not under consideration elsewhere.

Selected abstracts will be invited for full paper submission and presentation.

AWARDS AND RECOGNITIONS

- ★ Best Keynote Speaker Award
- ★ Best Oral Presentation Award
- ★ Best Poster Presentation Award
- ★ Young Researcher Award
- ★ Excellence in Innovation Award
- ★ Outstanding Contribution Award
- ★ Best Paper Award

IMPORTANT DATES

- Abstract Submission Opens
January 15, 2026
- Abstract Submission Deadline
April 30, 2026
- Notification of Acceptance
June 15, 2026
- Early Bird Registration Deadline
July 15, 2026
- Full Paper Submission Deadline
August 31, 2026
- Regular Registration Deadline
September 30, 2026
- Conference Dates
October 27–28, 2026

DUBAI – HOST CITY

Dubai, United Arab Emirates, is a global hub for innovation, business, and sustainability. With its world-class infrastructure, easy accessibility, and vibrant culture, Dubai provides the perfect environment for international collaboration and knowledge exchange. Join us in Dubai for two inspiring days of scientific excellence and networking.
