WELCOME TO THE 29th EDITION OF INTERNATIONAL CONFERENCE AND EXPO ON INFECTIOUS DISEASES AND CLINICAL MICROBIOLOGY

The 29th Edition of International Conference and Expo on Infectious Diseases and Clinical Microbiology is a premier international scientific gathering dedicated to advancing research, diagnostics, prevention, treatment, and global collaboration in infectious diseases and clinical microbiology.

Scheduled to be held on September 23–24, 2026, in London, United Kingdom, this prestigious conference will bring together infectious disease specialists, microbiologists, clinicians, epidemiologists, public health experts, researchers, academicians, healthcare professionals, policymakers, pharmaceutical scientists, and industry leaders from around the world.

As emerging and re-emerging infectious diseases continue to challenge healthcare systems globally, scientific collaboration and innovation remain essential to protecting public health. This conference provides an exceptional platform for discussing groundbreaking research, innovative diagnostic technologies, antimicrobial stewardship, infection prevention strategies, vaccine development, and evidence-based clinical practices.

The conference will feature keynote presentations, plenary lectures, scientific sessions, workshops, poster presentations, exhibitions, networking opportunities, and expert panel discussions designed to advance global infectious disease management and microbiological research.

ABOUT CONFERENCEMINDS

ConferenceMinds is an internationally recognized conference organizer dedicated to advancing scientific excellence, healthcare innovation, professional development, and interdisciplinary collaboration.

Through world-class international conferences, summits, forums, and expos, ConferenceMinds connects researchers, clinicians, educators, healthcare professionals, policymakers, and industry leaders to facilitate meaningful scientific exchange and collaborative growth.

Our mission is to create impactful scientific platforms that promote healthcare advancement, foster innovation, and support global research excellence.

CHAIRPERSON'S MESSAGE

Dear Colleagues and Distinguished Participants,

It is my great pleasure to welcome you to the 29th Edition of International Conference and Expo on Infectious Diseases and Clinical Microbiology, taking place on September 23–24, 2026, in London, United Kingdom.

The field of infectious diseases continues to evolve rapidly through advances in microbiology, molecular diagnostics, genomics, immunology, vaccine science, and global disease surveillance. Healthcare professionals and researchers

working in infectious disease prevention and management play a crucial role in safeguarding public health worldwide.

This conference has been carefully designed to bring together leading experts, clinicians, researchers, public health professionals, educators, and innovators to exchange knowledge, discuss emerging threats, present groundbreaking research, and establish meaningful collaborations.

We are confident that the scientific discussions and networking opportunities offered during this conference will contribute significantly to advancing infectious disease control and clinical microbiology worldwide.

We warmly invite you to join us in London for two inspiring days of scientific excellence, innovation, and international collaboration.

Warm Regards,
Conference Chair

29th Edition of International Conference and Expo on
Infectious Diseases and Clinical Microbiology

CONFERENCE VISION

To become a globally recognized platform that advances infectious disease research, clinical microbiology, public health preparedness, and healthcare innovation through scientific collaboration and evidence-based practice.

CONFERENCE MISSION

- ✓ Promote excellence in infectious disease research and clinical practice
- ✓ Advance microbiological innovation and diagnostic technologies
- ✓ Foster international scientific collaboration
- ✓ Support professional education and workforce development
- ✓ Improve infectious disease prevention and patient outcomes globally
- ✓ Encourage evidence-based healthcare practices
- ✓ Strengthen global public health preparedness

CONFERENCE OBJECTIVES

Promote Scientific Excellence

Encourage dissemination of high-quality research and clinical innovations.

Advance Infectious Disease Management

Explore emerging technologies and treatment strategies.

Strengthen Professional Development

Support educational growth and leadership development.

Foster Global Collaboration

Create opportunities for multidisciplinary international partnerships.

Enhance Public Health Outcomes

Share evidence-based strategies that improve disease prevention and control.

Empower Future Scientists

Provide opportunities for students, trainees, and early-career professionals.

WHY ATTEND?

Participants attending the conference will benefit from:

- ✓ Access to internationally renowned infectious disease experts
- ✓ Exposure to emerging diagnostic technologies and innovations
- ✓ Opportunities to present and publish research
- ✓ Professional networking with global healthcare leaders
- ✓ Career advancement and leadership development
- ✓ CME/CPD accredited participation certificates
- ✓ International research collaborations
- ✓ Recognition through scientific awards and honors
- ✓ Industry engagement and technology demonstrations
- ✓ Cultural and professional experiences in London

CONFERENCE HIGHLIGHTS

- ✓ International Keynote Addresses
- ✓ Plenary Scientific Sessions
- ✓ Oral Presentations
- ✓ Poster Presentations
- ✓ Clinical Microbiology Forum
- ✓ Infectious Disease Research Forum
- ✓ Young Researchers Forum
- ✓ Vaccine Development Forum
- ✓ Networking Sessions
- ✓ Awards Ceremony
- ✓ Publication Opportunities
- ✓ Premium Hospitality Services

CONFERENCE AWARDS

- ★ Best Keynote Speaker Award
- ★ Best Oral Presentation Award
- ★ Best Poster Presentation Award
- ★ Young Researcher Award
- ★ Excellence in Research Award
- ★ Outstanding Contribution Award
- ★ Best Paper Award

LONDON – HOST CITY

London, the vibrant capital of the United Kingdom, is a global hub of culture, history, innovation, and healthcare excellence. With world-class infrastructure, renowned universities, leading hospitals, and a rich scientific community, London provides the ideal environment for international conferences and collaboration.

Buckingham Palace

Tower Bridge

The British Museum

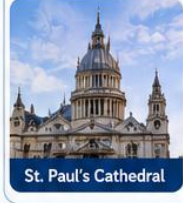

Big Ben (Elizabeth Tower)

Westminster Abbey

The London Eye

St. Paul's Cathedral

Hyde Park

SCIENTIFIC THEMES

- Infectious Diseases
- Clinical Microbiology
- Antimicrobial Resistance
- Virology and Immunology
- Public Health and Epidemiology
- Digital Health and Innovation

IMPORTANT DATES

Abstract Submission Deadline
August 20, 2026

Early Bird Registration
July 15, 2026

Standard Registration Deadline
September 10, 2026

Conference Dates
September 23–24, 2026

CALL FOR ABSTRACTS

Researchers, clinicians, academicians, healthcare professionals, and students are invited to submit their abstracts.

Submission Categories:
Oral Presentations, Poster Presentations, and E-Posters

Young Researchers Forum:
An excellent platform for students and early-career researchers to showcase their work.

Innovation Forum:
Highlighting novel ideas, technologies, and solutions in infectious disease research and clinical microbiology.
