WELCOME TO THE 29th EDITION OF INTERNATIONAL CONFERENCE AND EXPO ON NURSING AND HEALTHCARE

The 29th Edition of International Conference and Expo on Nursing and Healthcare is a prestigious international scientific gathering dedicated to advancing nursing practice, healthcare innovation, patient-centered care, clinical excellence, healthcare leadership, and global collaboration.

Scheduled to be held on **August 25–26, 2026**, in **Rome, Italy**, this distinguished event will bring together nursing professionals, healthcare practitioners, nurse educators, clinical researchers, healthcare administrators, policymakers, industry leaders, academicians, and students from around the world.

As healthcare systems continue to evolve amidst increasing patient demands, technological advancements, workforce challenges, and emerging healthcare priorities, the role of nursing professionals has become more critical than ever. This conference provides an exceptional platform to exchange scientific knowledge, discuss innovative healthcare solutions, explore evidence-based practices, and strengthen international collaborations that improve patient outcomes globally.

The conference will feature keynote lectures, plenary sessions, scientific presentations, workshops, poster sessions, industry exhibitions, networking opportunities, and expert panel discussions designed to inspire innovation and excellence in nursing and healthcare.

PATIENT-CENTERED CARE

Improving patient outcomes through compassionate, evidence-based care.

CLINICAL EXCELLENCE

Advancing nursing practice and healthcare quality.

HEALTHCARE LEADERSHIP

Empowering nurses to lead change and drive innovation.

GLOBAL COLLABORATION

Building international partnerships to strengthen healthcare systems.

HEALTHCARE INNOVATION

Exploring cutting-edge solutions to shape the future of healthcare.

ABOUT CONFERENCEMINDS

ConferenceMinds is an internationally recognized conference organizer committed to advancing scientific knowledge, healthcare innovation, professional development, and interdisciplinary collaboration.

Through world-class international conferences, summits, forums, and expos, ConferenceMinds connects researchers, clinicians, healthcare professionals, educators, policymakers, and industry leaders to facilitate meaningful scientific exchange and collaborative growth.

Our mission is to create impactful global platforms that promote healthcare advancement, foster innovation, and support research excellence worldwide.

CONFERENCE VISION

To become a globally recognized platform that advances nursing excellence, healthcare innovation, leadership development, and evidence-based clinical practice through scientific collaboration and education.

CONFERENCE MISSION

- ✓ Promote excellence in nursing practice and patient care
- ✓ Advance healthcare innovation and clinical research
- ✓ Foster interdisciplinary and international collaboration
- ✓ Support professional education and leadership development
- ✓ Encourage evidence-based healthcare practices
- ✓ Improve patient safety and healthcare quality worldwide
- ✓ Strengthen global healthcare systems through nursing excellence

WHY ATTEND?

Participants attending the conference will benefit from:

- ✓ Access to internationally recognized nursing and healthcare experts
- ✓ Exposure to emerging healthcare technologies and innovations
- ✓ Opportunities to present and publish research
- ✓ Global networking and collaboration opportunities
- ✓ Professional growth and leadership development
- ✓ CME/CPD accredited participation certificates
- ✓ Industry engagement and healthcare technology demonstrations
- ✓ Recognition through awards and honors
- ✓ International visibility for research and innovation
- ✓ Cultural and professional experiences in Rome

CHAIRPERSON'S MESSAGE

Dear Colleagues and Distinguished Participants,

It is my great pleasure to welcome you to the 29th Edition of International Conference and Expo on Nursing and Healthcare, taking place on August 25–26, 2026, in Rome, Italy.

Nursing continues to serve as the foundation of healthcare systems worldwide. Through advancements in clinical practice, education, leadership, digital health technologies, and patient-centered care, nurses play a vital role in transforming healthcare outcomes and improving quality of life.

This conference has been carefully designed to bring together leading nursing professionals, healthcare experts, researchers, educators, and innovators to share knowledge, present groundbreaking research, discuss emerging healthcare challenges, and foster international collaborations.

We are confident that the scientific discussions and networking opportunities offered during this conference will contribute significantly to advancing nursing practice and healthcare excellence worldwide.

We warmly invite you to join us in Rome for two inspiring days of scientific discovery, professional growth, and global networking.

Warm Regards,
Conference Chair
29th Edition of International Conference and Expo on
Nursing and Healthcare

CONFERENCE OBJECTIVES

Promote Scientific Excellence

Encourage dissemination of high-quality nursing and healthcare research.

Advance Clinical Practice

Explore innovative approaches that improve patient outcomes and healthcare delivery.

Strengthen Professional Development

Support lifelong learning, leadership, and career advancement.

Foster Global Collaboration

Create opportunities for international networking and research partnerships.

Improve Patient Outcomes

Promote evidence-based care practices that enhance healthcare quality.

Empower Future Healthcare Leaders

Support students, early-career professionals, and emerging healthcare innovators.

ConferenceMinds
Connecting Minds, Advancing Healthcare

Uniting Nurses. Advancing Healthcare. Improving Lives.

CONFERENCE HIGHLIGHTS

- ✓ International Keynote Addresses
- ✓ Plenary Scientific Sessions
- ✓ Nursing Leadership Forum
- ✓ Oral Presentations
- ✓ Poster Presentations
- ✓ Clinical Practice Workshops
- ✓ Evidence-Based Nursing Sessions
- ✓ Healthcare Innovation Forum
- ✓ Digital Health and AI Sessions
- ✓ Industry Exhibitions
- ✓ Technology Demonstrations
- ✓ International Networking Sessions
- ✓ Meet-the-Expert Discussions
- ✓ Awards and Recognition Ceremony
- ✓ Publication Opportunities
- ✓ Premium Hospitality Services

WHO SHOULD ATTEND?

- Nurses and Nursing Professionals
- Healthcare Practitioners
- Nurse Educators and Trainers
- Clinical Researchers
- Healthcare Administrators
- Policymakers and Regulators
- Industry Leaders and Innovators
- Academicians and Scholars
- Students and Trainees

“Empowering Nurses.
Enhancing Care.
Improving Lives.”

KEY SCIENTIFIC THEMES

1

NURSING PRACTICE AND CLINICAL CARE

- Evidence-Based Nursing
- Advanced Clinical Nursing
- Patient Safety and Quality Care
- Critical Care Nursing
- Emergency Nursing
- Perioperative Nursing

SPECIALIZED NURSING

- Pediatric Nursing
- Neonatal Nursing
- Oncology Nursing
- Cardiac Nursing
- Mental Health Nursing
- Geriatric Nursing

3

NURSING LEADERSHIP AND MANAGEMENT

- Nursing Administration
- Healthcare Leadership
- Workforce Development
- Healthcare Policy
- Nursing Ethics
- Organizational Excellence

4

PUBLIC AND COMMUNITY HEALTH

- Community Healthcare
- Population Health
- Preventive Healthcare
- Health Promotion
- Global Health Initiatives
- Health Equity

DIGITAL HEALTH AND INNOVATION

- Artificial Intelligence in Healthcare
- Telehealth and Telemedicine
- Health Informatics
- Digital Nursing Practice
- Remote Patient Monitoring
- Smart Healthcare Systems

EDUCATION AND RESEARCH

- Nursing Education
- Simulation-Based Learning
- Clinical Training
- Research Methodology
- Academic Excellence
- Professional Development

CALL FOR ABSTRACTS

Researchers, clinicians, nurse educators, healthcare professionals, students, and healthcare practitioners are invited to submit their abstracts.

SUBMISSION CATEGORIES:

Oral Presentations, Poster Presentations, and E-Posters

YOUNG RESEARCHERS FORUM:

An excellent platform for students and early-career researchers to showcase their work, gain feedback, and connect with global experts.

HEALTHCARE INNOVATION FORUM:

Highlighting novel ideas, technologies, and solutions in nursing, healthcare, digital health, and patient care.

CONFERENCE AWARDS

- ★ Best Keynote Speaker Award
- ★ Best Oral Presentation Award
- ★ Best Poster Presentation Award
- ★ Nursing Leadership Award
- ★ Excellence in Research Award
- ★ Outstanding Contribution Award
- ★ Best Paper Award
- ★ Young Researcher Award

ROME – HOST CITY

Rome, the Eternal City, is a timeless blend of rich history, breathtaking architecture, vibrant culture, and world-renowned landmarks. It provides an inspiring and unforgettable setting for global scientific exchange and collaboration.
