WELCOME TO THE 19TH EDITION OF INTERNATIONAL CONFERENCE AND EXPO ON NEUROLOGY AND NEUROLOGICAL DISORDERS

The 19th Edition of International Conference and Expo on Neurology and Neurological Disorders is a premier international scientific gathering dedicated to advancing neurological research, clinical neuroscience, brain health, innovative treatments, and global collaboration in neurological care.

Scheduled to be held on **August 25–26, 2026**, in **Rome, Italy**, this prestigious conference will bring together neurologists, neurosurgeons, neuroscientists, clinicians, researchers, academicians, healthcare professionals, policymakers, industry leaders, and students from around the world.

Neurological disorders continue to represent one of the greatest global health challenges, affecting millions of individuals worldwide. Rapid advancements in neuroscience, neuroimaging, genetics, artificial intelligence, neurorehabilitation, and precision medicine are transforming the diagnosis and treatment of neurological diseases. This conference provides an outstanding platform for sharing cutting-edge research, discussing emerging clinical practices, exploring innovative technologies, and fostering international collaborations.

The conference will feature keynote lectures, plenary sessions, scientific presentations, workshops, poster sessions, industry exhibitions, networking opportunities, and expert panel discussions designed to accelerate advancements in neuroscience and neurological healthcare.

ABOUT CONFERENCEMINDS

ConferenceMinds is an internationally recognized conference organizer dedicated to promoting scientific excellence, healthcare innovation, professional development, and interdisciplinary collaboration.

Through international conferences, summits, forums, and expos, ConferenceMinds connects global researchers, clinicians, healthcare professionals, educators, policymakers, and industry leaders to facilitate meaningful scientific exchange and collaborative growth.

Our mission is to create impactful scientific platforms that accelerate medical innovation, improve patient outcomes, and support research excellence worldwide.

CONFERENCE VISION

To become a globally recognized platform that advances neuroscience, neurological healthcare, innovation, and research excellence through collaboration and evidence-based clinical practice.

CONFERENCE MISSION

- ✓ Promote excellence in neurological research and clinical practice
- ✓ Advance innovative neuroscience technologies and therapies
- ✓ Foster international scientific collaboration
- ✓ Support professional education and training
- ✓ Improve neurological patient outcomes globally
- ✓ Encourage evidence-based healthcare practices
- ✓ Strengthen global neurological healthcare systems

CHAIRPERSON'S MESSAGE

Dear Colleagues and Distinguished Participants,

It is my great pleasure to welcome you to the 19th Edition of International Conference and Expo on Neurology and Neurological Disorders, taking place on August 25–26, 2026, in Rome, Italy.

Neurological sciences are advancing at an unprecedented pace, offering new insights into brain function, neurological diseases, neurodegenerative disorders, and innovative therapeutic approaches. Healthcare professionals dedicated to neurological care play a critical role in improving patient outcomes and advancing global brain health.

This conference has been carefully designed to bring together leading neurologists, neuroscientists, researchers, healthcare professionals, and innovators to exchange knowledge, discuss emerging trends, present groundbreaking research, and establish meaningful collaborations.

We are confident that the scientific discussions and networking opportunities offered during this conference will contribute significantly to advancing neuroscience and neurological healthcare worldwide.

We warmly invite you to join us in Rome for two inspiring days of scientific excellence, innovation, and international collaboration.

Warm Regards,
Conference Chair

19th Edition of International Conference and Expo on Neurology and Neurological Disorders

CONFERENCE OBJECTIVES

Promote Scientific Excellence

Encourage dissemination of high-quality neurological and neuroscience research.

Advance Neurological Healthcare

Explore emerging technologies and innovative treatment approaches.

Strengthen Professional Development

Support educational growth and leadership development among healthcare professionals.

Foster Global Collaboration

Create opportunities for multidisciplinary and international research partnerships.

Improve Patient Outcomes

Share evidence-based clinical practices that improve neurological care.

Empower Future Leaders

Provide opportunities for students, trainees, and early-career neuroscience professionals.

WHY ATTEND?

Participants attending the conference will benefit from:

- ✓ Access to internationally renowned neurologists and neuroscientists
- ✓ Exposure to emerging neurological technologies and innovations
- ✓ Opportunities to present and publish research
- ✓ Professional networking with global healthcare leaders
- ✓ Career advancement and leadership development
- ✓ CME/CPD accredited participation certificates
- ✓ International research collaborations
- ✓ Recognition through scientific awards and honors
- ✓ Industry engagement and technology demonstrations
- ✓ Cultural and professional experiences in Rome

Uniting Neuroscience, Advancing Brain Health, Transforming Lives

CONFERENCE HIGHLIGHTS

International Keynote Addresses

Plenary Scientific Sessions

Oral Presentations

Poster Presentations

Neuroscience Research Forum

Neurotechnology Sessions

Young Researchers Forum

Digital Health and AI Sessions

Industry Exhibitions

Technology Demonstrations

International Networking Sessions

Meet-the-Expert Discussions

Awards Ceremony

Publication Opportunities

Premium Hospitality Services

WHO SHOULD ATTEND?

- ▶ Neurologists
- ▶ Neurosurgeons
- ▶ Neuroscientists
- ▶ Clinicians and Physicians
- ▶ Researchers and Academicians
- ▶ Healthcare Professionals
- ▶ Nurses and Allied Health Professionals
- ▶ Policymakers and Regulators
- ▶ Industry Leaders and Innovators
- ▶ Students and Trainees

KEY SCIENTIFIC THEMES

1 NEUROLOGICAL DISORDERS

- Stroke and Cerebrovascular Diseases
- Epilepsy and Seizure Disorders
- Parkinson's Disease
- Alzheimer's Disease and Dementia
- Multiple Sclerosis
- Neuromuscular Disorders

2 CLINICAL NEUROLOGY

- Neurocritical Care
- Headache and Migraine Disorders
- Sleep Medicine
- Neuroinfectious Diseases
- Neuroimmunology
- Movement Disorders

3 NEUROSCIENCE RESEARCH

- Brain Function and Cognition
- Neuroplasticity
- Neurogenetics
- Neuropharmacology
- Molecular Neuroscience
- Translational Neurology

4 NEUROTECHNOLOGY AND INNOVATION

- AI in Neurology
- Neuroimaging Technologies
- Brain-Computer Interfaces
- Digital Neurology
- Wearable Neurological Devices
- Precision Medicine

Artificial Intelligence

Advanced Imaging

Connected Devices

Precision Medicine

Digital Health

Uniting Neuroscience,
Advancing Brain Health,
Transforming Lives

CALL FOR ABSTRACTS

Researchers, clinicians, academicians, healthcare professionals, and students are invited to submit their abstracts.

SUBMISSION CATEGORIES:

Oral Presentations, Poster Presentations, and E-Posters

YOUNG RESEARCHERS FORUM:

An excellent platform for students and early-career researchers to showcase their work, gain feedback, and connect with global experts.

NEUROSCIENCE INNOVATION FORUM:

Highlighting novel ideas, technologies, and solutions in neuroscience, neurology, neurotechnology, and digital health.

CONFERENCE STATISTICS

500+
Participants

50+
Countries

120+
Scientific Presentations

30+
Keynote Speakers

20+
Industry Exhibitors

15+
Scientific Sessions

2
Days of Scientific Exchange

CONFERENCE AWARDS

- ★ Best Keynote Speaker Award
- ★ Best Oral Presentation Award
- ★ Best Poster Presentation Award
- ★ Young Researcher Award
- ★ Excellence in Research Award
- ★ Outstanding Contribution Award
- ★ Best Paper Award

IMPORTANT DATES

Abstract Submission Deadline
July 01, 2026

Early Bird Registration
May 30, 2026

Standard Registration Deadline
August 01, 2026

Conference Dates
August 25–26, 2026

ROME – HOST CITY

Rome, the Eternal City, is a timeless blend of rich history, breathtaking architecture, vibrant culture, and world-renowned landmarks. It provides an inspiring and unforgettable setting for global scientific exchange and collaboration.

The Colosseum

Vatican City

St. Peter's Basilica

Trevi Fountain

Roman Forum

Pantheon

Piazza Navona

Spanish Steps
