★ CONFERENCE HIGHLIGHTS

- Keynote & Plenary Lectures by Global Leaders
- Scientific Sessions, Workshops & Panel Discussions
- Latest Research Presentations & Case Studies
- Interactive Q&A with Experts
- Global Networking and Collaboration Opportunities
- Industry Exhibitions & Product Showcases
- CME/CPD Accredited Sessions

🎯 CONFERENCE OBJECTIVES

- Promote cutting-edge research and clinical advancements in neurology
- Facilitate global collaboration among experts and professionals
- Provide a platform for knowledge exchange on innovations in neurological science and care
- Improve patient outcomes through evidence-based practices
- Empower healthcare professionals to advance neurological health worldwide

👥 WHO SHOULD ATTEND?

- Neurologists & Neurosurgeons
- Neuroscientists & Researchers
- Psychiatrists & Neuropsychiatrists
- Neuro-physiologists
- Clinical Neuropsychologists
- Rehabilitation Specialists
- Nurses & Allied Health Professionals
- Medical Students & Residents
- Pharma & Biotech Professionals
- Healthcare Administrators

💡 WHY ATTEND?

- ✓ Gain insights from world-renowned experts
- ✓ Explore cutting-edge research and therapies
- ✓ Earn CME/CPD credits
- ✓ Network with professionals and peers
- ✓ Present your research and share your ideas
- ✓ Discover career and collaboration opportunities
- ✓ Experience the vibrant culture and hospitality of Dubai

KEY SCIENTIFIC THEMES

- Neurodegenerative Disorders
- Stroke and Cerebrovascular Diseases
- Epilepsy and Seizure Disorders
- Multiple Sclerosis and Demyelinating Diseases
- Parkinson's Disease and Movement Disorders
- Alzheimer's Disease and Dementia
- Neuroimmunology and Neuroinflammation
- Brain Tumors and Neuro-Oncology
- Neurogenetics and Rare Neurological Disorders
- Pain Management and Neuropathic Pain
- Neurorehabilitation and Recovery
- Neurocritical Care and ICU Neurology
- Sleep Disorders and Neurology
- Neuropharmacology and Drug Development
- Neuroimaging and Diagnostic Advances
- Pediatric Neurology
- Mental Health and Neurology
- Artificial Intelligence in Neurology

ABOUT DUBAI

Dubai is a global hub of innovation, luxury, and opportunity. With its world-class infrastructure, stunning skyline, and warm hospitality, Dubai provides the perfect environment to inspire ideas, foster collaborations, and create lasting memories.

ABOUT THE SUMMIT

The 3rd Edition of International Arabian Summit on Neurology And Neurological Disorders 2026, brings together leading neurologists, researchers, clinicians, industry experts, and healthcare professionals from around the world to explore the latest advancements, share groundbreaking research, and discuss pressing challenges in the field of neurology.

Set in the dynamic city of Dubai, this summit provides an exceptional platform for knowledge exchange, innovation, and collaboration to improve brain health and patient outcomes worldwide.

3rd Edition of International Arabian Summit on NEUROLOGY AND NEUROLOGICAL DISORDERS 2026

SUMMIT HIGHLIGHTS

World-Class Keynotes

Hear from globally renowned experts and thought leaders.

Innovative Research

Discover cutting-edge studies and breakthroughs in neurology.

Interactive Sessions

Engage in panel discussions, case studies, and Q&A with experts.

Networking Opportunities

Connect with professionals, build partnerships, and expand your network.

Exhibition & Showcase

Explore the latest technologies, therapies, and solutions from leading organizations.

WHO SHOULD ATTEND?

Neurologists

Neurosurgeons

Pediatric
Neurologists

Researchers &
Scientists

Healthcare
Professionals

Neuropsychologists
& Therapists

Academic
Institutions

Pharma &
Biotech Companies

Students &
Trainees

TOPICS TO BE EXPLORED

- Neurodegenerative Disorders
- Stroke and Cerebrovascular Diseases
- Epilepsy and Seizure Disorders
- Multiple Sclerosis and Demyelinating Diseases
- Neuroimmunology and Inflammatory Disorders
- Neurogenetics and Rare Neurological Diseases
- Pain Management and Neuromodulation

- Neurorehabilitation and Neuroplasticity
- Pediatric Neurology
- Neuro-oncology
- Neuroimaging and Diagnostics
- Mental Health and Neurological Disorders
- Artificial Intelligence and Neurology
- Future Perspectives in Neurology

PROGRAM HIGHLIGHTS

Inspirational Keynotes

Gain insights from world-renowned neurologists and thought leaders.

Plenary Sessions

Explore the latest advancements and future directions in neurology.

Interactive Workshops

Hands-on learning and skill development from experts in the field.

E-Posters & Oral Presentations

Showcase your research and get valuable feedback.

Panel Discussions

Engage in dynamic discussions on challenges and innovations.

Exhibition Area

Discover cutting-edge products, technologies, and solutions from leading companies.
