About the Conference

The 29th Edition of International Conference and Expo on Ophthalmology and Vision Science will be held on November 24-25, 2026 in Paris, France. This prestigious event brings together leading ophthalmologists, vision scientists, researchers, healthcare professionals, industry experts and academicians from around the world to share knowledge, exchange ideas and explore the latest advancements in eye care and vision science.

The conference provides a unique platform for scientific discussions, networking and collaboration, aiming to advance research, clinical practice and innovation for better vision and healthier lives globally.

Our Objectives

- ✓ To provide a global platform for sharing latest research and innovations in ophthalmology and vision science.
- ✓ To foster collaboration among researchers, clinicians, industry experts and healthcare professionals.
- ✓ To discuss challenges and opportunities in eye care and vision health.
- ✓ To promote knowledge exchange, multidisciplinary approaches and best practices.
- ✓ To contribute towards preventing avoidable blindness and improving vision for all.

Who Should Attend?

- Ophthalmologists
- Optometrists
- Vision Scientists & Researchers
- Healthcare Professionals
- Academicians & Students
- Medical Device & Pharmaceutical Industry Experts
- Eye Care Organizations & NGOs
- Policy Makers & Healthcare Administrators
- Anyone passionate about eye health and vision science

Brighter
Lives*

Scientific Tracks

Explore cutting-edge research and innovations across a wide range of topics in ophthalmology and vision science, including but not limited to:

 Anterior Segment and Corneal Diseases	 Cataract and Refractive Surgery
 Posterior Segment and Retinal Disorders	 Dry Eye and Ocular Surface Diseases
 Glaucoma	 Optometry and Vision Care
 Pediatric Ophthalmology and Strabismus	 Vision Science and Basic Research
 Oculoplastic and Reconstructive Surgery	 AI, Imaging and Digital Ophthalmology
 Neuro-Ophthalmology	 Public Health and Preventive Ophthalmology
 Ocular Oncology	 Emerging Technologies and Future Directions

Registration Fees

 Speaker Registration	£875.00
 Visitor Registration	£845.00
 Package A (Registration + Two nights' accommodation)	£979.00
 Package B (Registration + Three nights' accommodation)	£1,197.00
 Video presentation / Virtual presentation	£589.00

All payments are in GBP (£).
Accommodation is subject to availability.

Important Dates

Abstract Submission Opens	April 01, 2026
Early Bird Registration Deadline	July 31, 2026
Abstract Submission Deadline	September 30, 2026
Regular Registration Deadline	October 31, 2026
Conference Dates	November 24-25, 2026

Conference Venue

Paris, France

Experience world-class science in one of the world's most iconic cities. Paris, known for its rich history, vibrant culture and stunning architecture, provides the perfect backdrop for networking, collaboration and new opportunities.

RESEARCH | COLLABORATION | INNOVATION | BETTER VISION FOR ALL

Why Attend?

Gain insights from world-renowned experts in ophthalmology and vision science

Discover the latest research, technologies and clinical advancements

Network with a global community of researchers, clinicians and industry professionals

Explore collaboration and career development opportunities

Attend diverse scientific sessions, workshops and exhibitions

Be part of a global movement towards better vision and healthier lives

Eminent Speakers

Global Experts
in Ophthalmology

Renowned
Researchers

Leading
Clinicians

Industry
Professionals

What Our Attendees Say

“An exceptional conference with outstanding scientific content, networking opportunities and a truly global perspective.”
