20th International Conference on Dentistry and Oral Health

November 26-27, 2026 | Amsterdam, Netherlands

INNOVATIONS | COLLABORATIONS | BETTER ORAL HEALTH FOR ALL

About the Conference

The 20th International Conference on Dentistry and Oral Health brings together a global community of dental professionals, researchers, academicians, industry experts and students to share knowledge, explore innovations and discuss the latest advancements in dentistry and oral healthcare.

This premier event by ConferenceMinds aims to provide a collaborative platform for exchanging ideas, showcasing research, and fostering partnerships to improve oral health outcomes worldwide.

Our Mission

To create a global platform that unites dental professionals, encourages innovative research, and promotes sustainable oral healthcare practices for healthier communities.

Our Vision

To be a leading platform for advancing dentistry and oral health through knowledge exchange, collaboration and innovation, contributing to a healthier and brighter future for all.
