11th Edition of International Conference on **Nursing and Healthcare 2026**

 **November 24-25, 2026** |  **Paris, France**

GLOBAL PERSPECTIVES FOR A HEALTHIER WORLD

About the Conference

The 11th Edition of International Conference on Nursing and Healthcare 2026 brings together nurses, healthcare professionals, researchers, educators, policymakers and industry experts from around the globe to share knowledge, innovative practices and groundbreaking research.

This prestigious event provides a unique platform to discuss the latest trends, address global health challenges and explore future opportunities in nursing and healthcare. Through keynote sessions, oral and poster presentations, interactive workshops and networking opportunities, the conference aims to inspire collaboration and drive positive change in healthcare systems worldwide.

*Together for
a Healthier Tomorrow*

Why Attend?

Global Networking

Connect with nurses, healthcare leaders, researchers and industry experts worldwide.

Knowledge Exchange

Gain insights into the latest research, innovations and best practices.

Professional Development

Enhance your skills through interactive sessions and workshops.

Career Growth

Explore new opportunities and collaborations.

Make an Impact

Be part of the global movement towards better healthcare and healthier communities.
