October 27-28,
2026

Dubai,
United Arab Emirates

About the Conference

The 3rd Edition of International Arabian Summit on Cardiology and Hypertension 2026 brings together cardiologists, hypertension specialists, researchers, clinicians, academicians and industry experts from around the world to exchange knowledge, share cutting-edge research and discuss the latest advancements, challenges and future directions in cardiovascular medicine and hypertension management.

This summit provides a unique platform for scientific exchange, networking and collaboration to improve cardiovascular health and reduce the global burden of heart diseases.

Objectives

Share latest research and innovations in cardiology and hypertension

Facilitate interdisciplinary collaboration

Discuss challenges and future opportunities in cardiovascular health

Promote global networking and knowledge exchange

Who Should Attend?

Cardiologists and Hypertension Specialists

Physicians and Clinicians

Researchers and Academicians

Nurses and Healthcare Professionals

Residents, Fellows and Medical Students

Healthcare Administrators and Policy Makers

Medical Device and Technology Professionals

Pharmaceutical Professionals

Cardiovascular Societies and Associations

Industry Experts and Exhibitors

Registration Fee

Speaker Registration

£875.00

Visitor Registration
