18th Edition of International Conference on

VACCINES AND VIROLOGY

MARCH 18-19, 2027 | BARCELONA, SPAIN

ABOUT THE CONFERENCE

The 18th Edition of International Conference on Vaccines and Virology will be held on March 18-19, 2027 in Barcelona, Spain, bringing together leading researchers, virologists, immunologists, public health experts, pharmaceutical professionals, academicians and industry leaders from around the world. This prestigious event provides a global platform to share the latest advancements, research findings, technological innovations and real-world experiences in the field of vaccines and virology.

The conference aims to foster scientific exchange, encourage collaborative research, and address emerging challenges in infectious diseases, vaccine development, and viral immunology for a healthier and safer world.

SCIENTIFIC OBJECTIVES

- To discuss the latest research and innovations in vaccines and virology
- To promote collaboration among global researchers and professionals
- To address emerging and re-emerging viral infections
- To explore novel vaccine technologies and immunization strategies
- To strengthen global preparedness and public health responses
- To provide a platform for young researchers and students to present their work

CONFERENCE TOPICS

- Vaccine Development and Innovation
- Viral Pathogenesis and Immunology
- Emerging and Re-emerging Viral Infections
- COVID-19 and Lessons Learned
- Antiviral Therapies and Drug Development
- Immunization Strategies and Public Health
- Vaccine Safety and Pharmacovigilance
- Molecular Virology and Viral Genetics
- Viral Epidemiology and Surveillance
- Zoonotic Viruses and One Health
- Clinical Virology and Diagnostics
- RNA Viruses and Viral Evolution
- Vaccine Policy, Accessibility and Equity
- Pediatric and Adult Immunization
- Viral Vector Technologies
- Future Challenges in Vaccinology and Virology

TENTATIVE SCIENTIFIC PROGRAM

DAY 1 MARCH 18, 2027 (THURSDAY)

Time	Session	Details
08:00 – 09:00	Registration	On-site Registration & Welcome Coffee
09:00 – 09:30	Opening Ceremony	Inauguration and Welcome Address
09:30 – 10:30	Keynote Session I	Global Perspective on Vaccines and Virology
10:30 – 11:00	Networking Break	Refreshments & Exhibition Visit
11:00 – 12:30	Scientific Session I	Vaccine Development and Innovation
12:30 – 13:30	Scientific Session II	Viral Pathogenesis and Immunology
13:30 – 14:30	Lunch Break	Networking Lunch
14:30 – 16:00	Scientific Session III	Emerging and Re-emerging Viral Infections
16:00 – 16:30	Networking Break	Refreshments & Exhibition Visit
16:30 – 17:30	Keynote Session II	Future Directions in Vaccine Research
17:30 – 18:00	Panel Discussion	Challenges and Opportunities in Vaccines and Virology
18:00 – 18:15	Day 1 Closing Remarks	

DAY 2 MARCH 19, 2027 (FRIDAY)

Time	Session	Details
08:30 – 09:00	Welcome Coffee	Networking & Exhibition Visit
09:00 – 10:00	Keynote Session III	Viral Epidemiology and Surveillance
10:00 – 11:00	Scientific Session IV	Vaccine Safety and Pharmacovigilance
11:00 – 11:30	Networking Break	Refreshments & Exhibition Visit
11:30 – 13:00	Scientific Session V	Clinical Virology and Diagnostics
13:00 – 14:00	Lunch Break	Networking Lunch
14:00 – 15:30	Scientific Session VI	Public Health, Policy and Vaccine Implementation
15:30 – 16:00	Networking Break	Refreshments & Exhibition Visit
16:00 – 17:00	Poster Session	Student and Research Poster Presentations
17:00 – 18:00	Workshop Session	Hands-on Training / Interactive Workshop
18:00 – 18:30	Best Presentation Awards & Closing Ceremony	Certificate Distribution & Vote of Thanks

WORKSHOP SESSION

MARCH 19, 2027 | 17:00 – 18:00

- Vaccine Development Techniques
- Laboratory Diagnostics in Virology
- Next-Generation Sequencing in Viral Research
- Data Analysis and Bioinformatics
- Interactive Case Discussions

POSTER SESSION

MARCH 19, 2027 | 16:00 – 17:00

- Showcase your latest research findings
- Interact with global experts
- Student and Young Researcher Posters are Welcome
- Best Poster Awards
- Certificates for all Presenters
